- LED Touch Control and Digital Display
- Instant Heating in 3 secs
- 7 water Temperature Options
- 3 Dispensing Volume Setting
- Safty Lock
- Large Capacity & Removable Tank

Water Purifier Principle:

4-Stage Filtration

4 Levels of filtration, effectively reduces Chlorine, Fluoride, Lead, Heavy Metals, Bad Taste & Odor, and other harmful contaminants from water, while retaining essential minerals. The composite filter is a key feature of this water dispenser, combining multiple filtration stages to effectively remove impurities, bad tastes, and odors from your water. This not only improves the taste of your beverages but also contributes to your overall health by reducing exposure to contaminants.
