Product Description

White Color 3 In 1 HEPA Filter Pet Air Purifier With Iron Mesh Design

This air purifier stands out with its robust iron grid construction, featuring wider spacing that not only enhances the collection of pet hair but also provides a protective barrier against accidental pet injuries. This design is both functional and aesthetically pleasing, blending seamlessly into your home decor. The wider gaps in the iron grid prevent pets from getting their paws, claws, or noses stuck, ensuring that curious pets can't harm themselves while exploring the purifier. This thoughtful design feature makes the FurGuard Pro a safe choice for households with cats, dogs, and other small animals. The metal grid is built to withstand the wear and tear from pets. It is resistant to bites, scratches, and claw marks, ensuring that the purifier maintains its appearance and functionality over time, even in the most active of households.

Product Specification:

Model	KJ400GE-N1
Sound Level	<=62dB(A)(Max)
Rated Power	35 W
CADR rate	235CFM (400m ³ /h)
Product size	Ø252*H476mm
Area coverage	28-48 m ²

Product Features:

- 3 in 1 HEPA-type filter, with carbon and nylon pre-filter
- 12h timer setting
- 4 speeds and sleep mode
- Filter changing reminder
- UVC light plus photocatalyst effectively eliminating bacteria, virus, odors
